Electric service will be furnished expressly subject to all provisions of the Company's Rules and Regulations as the same are now or hereafter may be filed with the Public Utilities Commission of Maine and contingent upon obtaining all necessary rights, permits, and approvals.

In consideration of the Company's building the necessary lines to render electric service hereby applied for, applicant agrees (1) to take said electric service for a period of sixty (60) months from the effective date of this contract, or the remainder of the 60 month term from the effective date of an existing contract if the line is presently under contract, said effective date being the date that the Company first energizes the line leading to or past the premises to be served, (2) to pay for the electric service so furnished during said period in accordance with the Company's applicable rates, including any minimum charge therefore, (3) to pay the Company an amount, in addition to the payments specified in (2), not less than \$ *32.90***per month from said effective date, whether electric service is used or not. This contract shall be deemed to be canceled in five (5) years from its effective date; or at such previous time as the average length of line on this extension is 300' or less per customer, and the line from which the extension to this customer has been built is no longer subject to contract. Customers taking temporary service will not be considered in recomputation of the average length of the line or in cancellation of this contract.

This contract shall constitute a covenant running with the land on which the premises to be served are located and shall be binding upon and inure to the benefit of the Company and the applicant and their respective heirs, successors and assigns.

Other stipulations made _____

a part of this contract NONE

This contract must be EXECUTED IN TRIPLICATE and ALL copies submitted to Company. A copy will be returned to Applicant after service is rendered and effective date determined.
